---

Dear Friend,

Let us take this opportunity to welcome you to Christ's Sanctified Holy Church. We are honored that you have chosen to visit our worship services. We try to help the people of our community experience the love of God, and we believe God has made this possible through His Son Jesus Christ, and salvation through sanctification of the Spirit (II Thessalonians 2:13), which we can experience in this life through Him.

We want our ministry to be a place where people experience God, find practical help for life, and establish life long friendships. We believe in living out the call of Christ as it pertains to our brothers and sisters in Christ, by having authentic, genuine fellowship and concern for one another.

Our primary focus is our worship services and Sunday School. We gather each Sunday for Bible study through the Sunday School, and worship, prayer, and fellowship in worship services. It is our desire to meet God, share blessings and burdens, and celebrate our salvation in Christ. We believe the Holy Bible teaches us to know Jesus Christ, obey Him, and properly represent Him to the world.

We believe that all people matter to God and should matter to us. However, we also believe that people should not feel pressured regarding their worship. We try to balance your privacy with our desire to love and help you. We will not call or visit unless asked to do so. You will never be asked for money, or feel pressured to become a part of this fellowship. We have never, in over 117 years of our history, passed a collection plate in our church. We are simply here to assist and help you in your relationship with God.

Whatever your past spiritual or church experience may have been, we want you to know that you are welcome in our fellowship. We would love to get to know you and our hope is that your first experiences here will be just the beginning of a great relationship.

In Christ,  
*The Congregation of CSHC*
